RE: Fee Schedule for providing Computerized Water Well Information and copies  
of other Public Documents

To partially offset increased costs (computer time, clerical/professional staff analyst and/or production control technicians, telephone communications, quality control, postage, handling, etc.), the following Fee Schedule has been established and is in effect:

1. A. List of Registered Water Wells  
(Sorted by Well No., Owner's Name, Geologic Code, Well Use, Water Level or Section/Township/Range)
  - a. Single Site (up to 25 pages of printout) \$35/site
  - b. Multi-sites/Single Request (up to 25 pages of printout for each site) \$25/site
  - c. Cost of printout over 25 pages \$.25/page
1. B. Water Well Plot Including List of Registered Well \$75/site
1. C. Water Quality Analysis \$35/site
2. Water Well Records, hard copy
  - a. Registration/Schedule forms  
Including construction data, drillers' log, pump test, sieve analysis, or other data if available \$ 2/well
  - b. Electric Log \$10/log
3. Water Well Rules, Regulations & Standards \$10/copy
4. Roster of Louisiana Water Well Drillers \$ 5/copy
5. Licensing Application Packet (Includes Nos. 3 & 4 above) \$15/set
6. Construction of Geotechnical Boreholes and Groundwater Monitoring Systems Handbook \$ 5/copy

A Sample Request Form is attached for your information and use. For planning purposes, please allow fifteen (15) days for complete turnaround. For express delivery, please provide an airbill with your (your company's) account number to be charged.

It shall be necessary for you to include a check for the proper amount, issued to the order of LA DOTD, with your request. If the printout is over 25 pages, we will notify you accordingly. Please note that the computer charges would apply even if the coordinates you provide are in error or would fall outside the Parish of your interest.

We shall endeavor to provide the same high quality of assistance as you have come to expect. Thank you for your cooperation.
